

## Do you know its Gulfport?

Watch the boat parade passing by

Do you know its Gulfport (echo)

Clymer Park's lights reach the sky

Do you know its Gulfport (echo)

It's Family

Sharing with our friends

Where the warmth and Joy Never ends

Where the warmth and Joy Never ends

Spending holidays without snow

Do you know its Gulfport (echo)

Beach Boulevard still gleams with its glow

Do you know its Gulfport (echo)

The shops, the lights

Shine with spirit cheer

Aren't you glad that you all live here

Aren't you glad that you all live here

We're the Gateway to the Gulf, you can see

Do you know its Gulfport (echo)

Boca Ciega leads to the Sea

Do you know its Gulfport (echo)

That why we live

In such and awesome place

We feel the sunshine warm on our face

The sunshine warm on our face

There's no place that we'd rather be

Do you know its Gulfport (echo)

Cobblestone streets and mighty trees

Do you know its Gulfport (echo)

It's Family

Sharing with our friends

Where the warmth and Joy Never ends

Where the warmth and Joy Never ends
